

## Cambridge Econometrics Job Application Form

### Instructions

Please complete and return this form, renaming the file in the format "FirstInitialLastName01Jan19.doc" (using today's date) by email to [careers@camecon.com](mailto:careers@camecon.com).

### Data protection

As part of any recruitment process, Cambridge Econometrics collects and processes personal data relating to job applicants. We are committed to being transparent about how we collect and use that data and to meeting our data protection obligations.

If you agree (see **Statement of Confirmation**) to allow us to keep your personal data on file, we will hold your data on file for twelve months for consideration for future employment opportunities. At the end of that period, or once you withdraw your consent, your data is deleted or destroyed. Our privacy policy is available [here](#).

### Statement of Confirmation

*I consent to the use of this information during the recruitment process and to CE keeping this information on file as described above.*

*I confirm that to the best of my knowledge the information provided on this application form is correct. I accept that deliberately providing false or misleading information may lead to the withdrawal of any offer made by the Cambridge Econometrics and/or termination of employment.*

<b>Personal statement</b>	
Please write a short statement (half a page to a page of A4) to tell us more about yourself. The key things we want to know are covered in the listed questions, so please include these as headings and	

provide responses to them. But you can also include anything you want to highlight about yourself that is not self-evident from the rest of this application.

**Statement:**

What interests you in economics?

In what kind of organisation do you imagine yourself working in the future?

What attracts you to working at Cambridge Econometrics?

How do your skills, knowledge and experience make you suited for the position for which you are applying?
